

ENVIRONMENTAL (Industrial Pollution) Prohibition Notice, 2005

Pursuant to section 113 of the Environmental Management Act of 2004, the Director General having been satisfied that the manufacturing of **Products by Metro Steel Mill** whose operations are at **Plot No. 93, Kipawa Ilala District P.O. Box 12477 Dar es Salaam, Tanzania** involves an eminent risk of serious pollution of the environment and hereby prohibits **Metro Steel Mill** from undertaking all the production processes.

Further, the environmental risks involved are:

1. **Improper engineering layout and plant installations,**
2. **Production of toxic and noxious air emissions and**
3. **Emission of polluted effluents.**

Further that the steps to be undertaken to mitigate the pollution are:

1. **Proper plant layout and installations,**
2. **Carry out a detailed environmental audit (including risk assessment) and**
3. **Implementation of all the mitigation measures recommended by the environmental audit.**

This notice comes into force at midday on the day after it has been served and shall expire when the steps enumerated hereinabove have been complied with to the satisfaction of the Director General.

Dated at Dar es Salaam this 25th day of July -----, 2005

Dr. M.A.K. Ngoile
Director General
